## Newsletter 2010'

"News time for All"

11 January 10'

### Welcome to Leyton College Newsletter section Jan 10'

Last year we could witness so many changes in our college premises, related to performance awards, advent of new course, infrastructure, recreational events for the students and many more.....

### Applause time:

Leyton College was recognized in all over United Kingdom in 2009 as one of our bright students Mrs. Poomadevi Veerasamy was honoured with:

"Best Paper Award for Human Resource Management"

The credit goes to Mrs. Poomadevi because of her hardship she was able to crack the paper and also to faculty and management for their sincere efforts behind the students.

Also to boost the morale of the students, we awarded one of the students, Keshava Krishna Sanam (PGDBA 2) for cent percent attendance.

### Introduction of new Course:

Postgraduate diplomas allow a graduate student to study a new academic subject at degree level, but in a short span of time. The main aim of this course is 'upgrading of knowledge within a discipline'. Due to heavy demand from students, we have started a new Course in April 09:

### Post Graduate Diploma in Business Administration (PGDBA)

Hope this course will help students to achieve their set goals in life.

## Trip to West Wittering Beach:

We have always looked forward for student's satisfaction, for us "Every Student Matters". On request by the students, we organized a trip to West Wittering Beach escorted by teachers.

Also we got a Pool table for the students in their recreation room.

## Christmas Celebration:

After having hectic and busy schedules all throughout the year everyone in Leyton College wanted a break. Nothing better can it happen than having a smashing Christmas Party.

Everyone was in full swing mood to enjoy the party to the fullest. The room full of people, all dressed amazingly. The music was playing beautiful Christmas carols and songs in the background. The music and the aroma of

food made people lively. We had a well Christmas dinner, which everyone enjoyed.

The evening followed with games like Bingo and dumb sheraz . The college has honored winners with prizes. Also people were trying to match their footsteps with the music.

## Leyton College News:

### Update your details

According to the new Home Office rules and regulations, it is important and mandatory that we have full records of all the students studying in the college.

The college can contact you through postal address, emails and telephones. This step is taken for the student's safety. It will be helpful if you could email your details at

[info@leytoncollege.co.uk](mailto:info@leytoncollege.co.uk) especially if any student changes their postal and email address.
